Overview

This program examines environmental change and its effect on altering the world in which we live - its cities and suburbs, regional and rural landscapes, its natural heritage and biodiversity - and its significant political and economic implications. Students will learn about the causes of environmental change and develop strategies, policy, and planning skills to effectively manage environmental issues at local, national and global levels. Areas covered include climate change, managing our coasts and rivers, environmental management, population and migration, urban processes, biodiversity, conservation and sustainable development. Students will also have the opportunity to take part in an internship with an outside organisation related to the environment in their final year of study.

The Bachelor of Environmental Policy and Management is an AQF Level 7 qualification with a standard full-time duration of 3 years.

1. Academic Program Rules for Bachelor of Environmental Policy and Management

There shall be a Bachelor of Environmental Policy and Management.

2. Qualification requirements

- GEOG 1102 Footprints on a Fragile Planet ..... 3
- GEOG 1103 Economy, Environment and Place ............................................................... 3
- GEOG 1104 Population & Environment in Australia .......................................................... 3

2.1.2 Electives

Courses to the value of 60 units from the following:

**Level I**

- Level I courses to the value of 6 units chosen from those listed in 5.1 for the Bachelor of Arts forming a minor sequence ................................. 6
- Level I courses to the value of 6 units chosen from those listed in 3.1 for the Bachelor of Arts, or other courses offered by the University at Level I that are available to the candidate .............................................. 6

**Advanced Level or Level II**

Advanced Level GEOG approved electives to the value of 12 units from the following:

- GEOG 2129 Introductory Geographic Information Systems ........................................... 3
- GEOG 2130 Managing Coastal Environments................................................................. 3
- GEOG 2132 Social Science Techniques .......... 3
- GEOG 2133 Global International Migration ......3
- GEOG 2135 Urban Futures ...................... 3
- GEOG 2137 Biogeography & Biodiversity Conservation ................................................. 3
- GEOG 2138 Population and Health (not available 2013) .................................................. 3
- GEOG 2139 Environmental Management ...... 3
- GEOG 2140 Environmental Change (not available 2013) .............................................. 3
- GEOG 2141/EX Environment and Development .............................................................. 3
- GEOG 2142 Climate Change .................... 3
- GEOG 2143 Introduction to Environmental Impact Assessment (not available 2013) ...... 3
- GEOG 2144 Principles of Environmental Economics ....................................................... 3
- GEOG 2145 Governance and Sustainable Development (not available 2013) .............. 3
- GEOG 2146 Food Security (not available 2013) ................................................................. 3
- GEOG 2151 Advanced Geographic Information Systems ................................................... 3
- GEOG 2153 Housing Policy and Practice in Australia (not available 2013) ....................... 3
- GEOG 2154 Applied Population Analysis ...... 3
- GEOG 2155 Foucault, Space and the Social Sciences (not available 2013) ...................... 3
- GEOG 2200 Environmental Policy and Management Internship ...................................... 6

Cross listed courses (maximum of 6 units) from the following:

- ARTS 2001 Arts Internship** ......................... 6
ARTS 2100 Community Engagement Learning Project* ........................................... 3
ASIA 2025 Re-Orienting Asia: Towards a Sustainable Future ........................................... 3

**This course can be studied if, upon negotiation with the course coordinator, a relevant placement can be arranged.

Advanced Level or Level II courses to the value of 6 units chosen from those listed in 5.1 for the Bachelor of Arts forming a minor sequence ......................................................... 6

Advanced Level or Level II courses to the value of 6 units chosen from those listed in 3.2 or 3.4 for the Bachelor of Arts, or other courses offered by the University at Advanced Level or Level II, that are available to the candidate ......6

**Advanced Level or Level III**

Advanced Level GEOG approved electives to the value of 12 units from the following:

GEOG 2129 Introductory Geographic Information Systems ........................................... 3
GEOG 2130 Managing Coastal Environments............................................................... 3
GEOG 2132 Social Science Techniques........ 3
GEOG 2133 Global International Migration.... 3
GEOG 2135 Urban Futures................................................................. 3
GEOG 2137 Biogeography & Biodiversity Conservation............................................... 3
GEOG 2138 Population and Health (not available 2013)................................. 3
GEOG 2139 Environmental Management ...... 3
GEOG 2140 Environmental Change (not available 2013)................................. 3
GEOG 2141/EX Environment and Development...................................................... 3
GEOG 2142 Climate Change......................... 3
GEOG 2143 Introduction to Environmental Impact Assessment (not available 2013).... 3
GEOG 2144 Principles of Environmental Economics ............................................. 3
GEOG 2145 Governance and Sustainable Development (not available 2013)........ 3
GEOG 2146 Food Security (not available 2013)......................................................... 3
GEOG 2151 Advanced Geographic Information Systems ........................................... 3
GEOG 2153 Housing Policy and Practice in Australia (not available 2013)............. 3
GEOG 2154 Applied Population Analysis.... 3
GEOG 2155 Foucault, Space and the Social Sciences (not available 2013)........... 3
GEOG 2200 Environmental Policy and Management Internship............................... 6

Cross listed courses (maximum of 6 units) from the following:
ARTS 2001 Arts Internship** ......................... 6

ARTS 2100 Community Engagement Learning Project* ........................................... 3
ASIA 2025 Re-Orienting Asia: Towards a Sustainable Future ........................................... 3

**This course can be studied if, upon negotiation with the course coordinator, a relevant placement can be arranged.

Advanced Level or Level III courses to the value of 6 units chosen from those listed in 5.1 for the Bachelor of Arts forming a minor sequence ......................................................... 6

Advanced Level or Level III courses to the value of 6 units chosen from those listed in 3.3 or 3.4 for the Bachelor of Arts................................. 6

2.2 Credit in formal combined degree arrangements

Bachelor of Languages

A student who undertakes concurrently a Bachelor of Environmental Policy and Management and a Bachelor of Languages, may count 12 units at Level I to both degrees, 12 units at Advanced Level or Level II toward the Bachelor of Environmental Policy and Management, and up to 6 units at Advanced Level or Level II toward the Bachelor of Languages (not forming part of the major or minor sequence or cognate courses).

The requirement to complete a minor is waived for the Bachelor of Environmental Policy and Management only.

Bachelor of Laws

Students who have passed courses in the Bachelor of Laws degree at the University of Adelaide will be granted credit towards the Bachelor of Environmental Policy and Management to the following limits:

a. 12 units at Level I

and

b. 12 units at Advanced Level or Level II

The requirement to complete a minor in the Bachelor of Environmental Policy and Management is waived.

Concurrent Study

Bachelor of Arts, Bachelor of Commerce, Bachelor of Computer Science, Bachelor of Development Studies, Bachelor of Economics, Bachelor of Environmental Policy and Management, Bachelor of Finance, Bachelor of International Studies, Bachelor of Mathematical and Computer Sciences, Bachelor of Media, Bachelor of Psychological Science*, Bachelor of Social Sciences

A student who undertakes concurrently any two of the degrees listed above, may count 12 units at each of Level I and Advanced Level or Level II to both degrees, by undertaking courses to a minimum total of 48 units which satisfy the Level I and Advanced Level or Level II requirements of both awards.
Students must then present for each degree courses to the value of 24 units at Advanced Level or Level III not presented for any other award, satisfying the requirements for the two degrees with a minimum total of 96 units (or 4 years) of study.

The requirement to complete a minor in the Humanities and Social Sciences program, where applicable, is waived.

*Students studying the Bachelor of Psychological Science may count 15 units at Level I to the Bachelor of Psychological Science.
