

Master of Surgery

This program is only available to international students in 2012 where there is no corresponding Master of Research Studies program

These Program Rules should be read in conjunction with the University's policies (<http://www.adelaide.edu.au/policies>).

1 General

- 1.1 This document must be read in conjunction with:
- a the General Academic Program Rules for Master by Research Programs (see under Adelaide Graduate Centre) *and*
 - b the Research Student Handbook, published by the Adelaide Graduate Centre.

These documents explain procedures to be followed and contain guidelines on supervision and research for the degree of Doctor of Philosophy and the various Masters Degrees by Research, offered by the University.

All students must comply with both the General Academic Rules and the rules following below, and procedures outlined in the Research Student Handbook.

In addition to the General Academic Program Rules for Masters by Research degrees, in this publication, the following Discipline specific rules apply.

2 Admission

- 2.1 Further to Rules 4 of the General Academic Program Rules, the following persons may be accepted as candidates for the degree of Master of Surgery:
- a Bachelors of Surgery of the University of Adelaide
 - b Graduates in surgery of another university who hold a degree which is accepted by the Research Education and Development Committee on the recommendation of the Faculty as equivalent to the degree of Bachelor of Surgery of the University of Adelaide.
- 2.2 No person may be awarded the degree of Master of Surgery until three years has elapsed since the candidate was awarded the MBBS degree.
- 2.3 A candidate for the degree shall submit evidence satisfactory to the Faculty of having had special training in surgery including at least one year's basic surgical training, or equivalent, in a teaching hospital recognised by the Faculty for the purpose.
