Overview

The Bachelor of Teaching degree program prepares students for teaching in secondary schools. The program is offered as a double degree only and is designed for students who are beginning tertiary study. The primary focus in the first three years of the degree is on completing a major in two different subject areas usually taught at senior secondary level. A major consists of courses taken over three consecutive years of study. Six semesters of study in a subject area is the general requirement for teaching a subject up to Year 12 level. Students are required to have completed the requirements of the discipline degree to be eligible to enrol into the fourth year of the program.

The Bachelor of Teaching is an AQF level 7 qualification with a standard full-time duration of 4 years.

Conditions

Condition of enrolment

Interruption of program: Students must apply for permission from the Program Coordinator before taking a Leave of Absence. Any extension of the leave without approval will result in the loss of place in the program but an application may be made to be re-admitted to the program subject to the admission procedures in place at the time.

The test is a single, national instrument designed to assess elements of an individual’s literacy and numeracy skills and will be used to demonstrate that ITE graduates are in the top 30 per cent of the population for literacy and numeracy.
