These Program Rules should be read in conjunction with the University's policies (<http://www.adelaide.edu.au/policies>).

Overview

This program introduces students to fundamental principles and practices of immersive media. Students will develop foundational skills and understandings in areas related to immersive media such as physiological and psychological impact, design principles and technical knowledge. They will develop key industry understandings, and will put their skills into practice in developing an applied project plan.

The Graduate Certificate in Immersive Media Technologies is an AQF Level 8 qualification with a standard full-time duration of 0.5 years.
