Overview

The Bachelor of Environmental Policy and Management (Honours) is a one year program that includes advanced coursework and a research project in which students produce an extended piece of work (thesis) on a topic chosen in consultation with an academic supervisor.

The Bachelor of Environmental Policy and Management (Honours) is an AQF Level 8 qualification with a standard full-time duration of 1 year.

Conditions**Condition of enrolment**

Interruption of program: Students must apply for permission from the Executive Dean or delegate before taking a Leave of Absence. Any extension of the leave without approval will result in the loss of place in the program but an application may be made to be re-admitted to the program subject to the admission procedures in place at the time.
