Overview

The Graduate Diploma of Public Policy is designed for those who work in, or aspire to have a career in, policy, whether it is in government, intergovernmental organisations, industry or not for-profit sector.

The program adopts a multidisciplinary approach in the development of the student's knowledge and skills in public policy. It brings together current public policy theory and debates with practical policy analysis and research skill development relevant for the 21st Century. The Graduate Diploma of Public Policy also provide students with the opportunity to select electives in policy domains for their interest.

The Graduate Diploma of Public Policy is an AQF Level 8 qualification with a standard full-time duration of 1 year.

Conditions*Interruption of program:*

Students must apply for permission from the Executive Dean or delegate before taking a Leave of Absence. Any extension of the leave without approval will result in the loss of place in the program but an application may be made to be re-admitted to the program subject to the admission procedures in place at the time.
