

**Program Code**

MGFAB

**Program Minimum Units**

48

**Standard Duration**

2 Years

**Program Faculty**

Faculty of Professions

**AQF Level**

09

**Academic Year**

2022

These Program Rules should be read in conjunction with the University's policies (<http://www.adelaide.edu.au/policies>).

**Overview**

The Master of Global Food and Agricultural Business enables students to develop the practical research, advisory and business skills necessary for careers in food and agricultural related industries. The program provides students with fundamental competencies while also allowing the flexibility to explore specific interests from value chain management or marketing to natural resource issues or agricultural policy analysis.

The Master of Global Food and Agricultural Business is an AQF Level 9 Masters Conversion qualification with a standard full-time duration of 2 years.

**Conditions****Condition of Enrolment**

*Interruption of program:* Students must apply for permission from the Faculty before taking a Leave of Absence. Any extension of the leave without approval will result in the loss of place in the program but an application may be made to be re-admitted to the program subject to the admission procedures in place at the time.
